Built for work that doesn’t wait.

Xerox® C240 Color Printer

xerox™

Meet the Xerox® C240 Color Printer.

The world moves fast. Whether you're a small boutique, a mid-sized business or a field office, your teams need compact and affordable tech that outpaces the pace of work.

Introducing the new Xerox® C240 Color Printer. Affordable, reliable and intuitive—helping teams get tasks done quickly and without friction. So they can stay focused, connected and keep work moving, wherever work happens.

INTELLIGENT DESIGN FOR A SUPERIOR USER EXPERIENCE

The Xerox® Easy Assist App lets you get up and running quickly with simple printer setup and management right from your mobile phone. Paired with the intuitive touchscreen, everyday tasks and features are easy to access and use.

GREATER FLEXIBILITY AND MOBILITY

Mobile and wireless print-from-anywhere capabilities enable work to happen wherever needed, with no network cabling. AirPrint, Mopria and Chromebook compatibility ensure seamless printing from virtually any device.

PUT YOUR BEST PRINTS FORWARD

Count on crisp, professional-quality and vibrant color output that conveys your message and enhances your image with customers, partners and colleagues.

SMALL BUT POWERFUL

The Xerox® C240 Color Printer packs serious capability into a compact design. Fast speeds, a powerful engine and robust memory keep teams moving forward—delivering reliable performance without crowding the space.

COUNT ON MORE UPTIME, ALL THE TIME

This device is built to perform consistently, reliably and quietly, day in and day out. It brings big capability with a small footprint and a tiny learning curve.

SECURITY THAT WORKS AS HARD AS YOU DO

Built with multi-layer protection, Xerox® Printers safeguard your devices and data with advanced encryption, secure firmware, and user authentication—plus a forward-looking architecture designed to support emerging hardware-enabled post-quantum cryptography standards, keeping your confidential information secure today and ready for tomorrow.

SUSTAINABILITY: DESIGNED WITH RECYCLED CONTENT AND EFFICIENCY IN MIND

This printer is made with more than 50% post-consumer recycled plastic content (PCR) and includes energy-saving features, such as built-in power-saving modes. It is ENERGY STAR® certified and EPEAT® registered and supports recycling through the Xerox Cartridge Collection Program, where available.

Capabilities that make hard work easier.
